

TRU-FIT SOLUTIONS

Valued Service & Pricing For Your Procurement Solutions

Offering a total range
of true **On-Demand** services
without the risks of **upfront
costs, consulting expenses
and resources.**

Our goal is to provide fast cost effective
procurement as well as engineering interface
services. We specialize in supporting customers
with inventory managing roles or as additional
support.

We're your best source for Fasteners,
Electronic Hardware, Network Components,
as well as exceptional Value Added Services.

We work with suppliers / manufactures
nationwide to find obsolete and end of life
parts.

PRODUCTS

Actuators: Linear, Guided, Rotary, Rodless, Electric, Grippers & Escapements, Specialty

Actuators Adhesives: accelerators, epoxy, heat shrink, instant, silicones, thermal, glue sticks, RTV silicones

Automation: motors, bearings, seals

Bearings: roller, ball, precision, automotive, spherical

Cable: ethernet (cat5e, cat6), DVI, HDMI, KVM, PC, power cords, testers

Cable Management: cable ties, velcro ties, mounts, clips, wiring protection, wiring labeling, cable tie tools

Clean-Room Services

Capacitors: film, ceramic, aluminum electrolytic, kits

Casters: wheels, swivel pads, leveling mounts

Commercial Cleaning Supplies: rags, wipes, soap, sponges, scouring pads, degreasers, dusters, air dusters, floor, plumbing

Connectors: wire, board, I/O, jacks, plugs, solderless

Couplings: bellows, flexible, helical

Pins: dowel, cotter, hitch, roll/spring

Electronic Hardware: D-sub, DC jacks, plugs, captive hardware, spacers, standoffs, handles, terminal blocks, bushings, fuse clips, holders, studs

Fasteners: washers, bolts, nuts, screws, standoffs, spacers

Fiber Optics

Fluid System Tech: reducers, elbows, fittings, vacuums

Fuses: electronic fuses, industrial fuses, PTC resettable devices, semiconductor fuses, circuit breakers, MOV's (metal oxide varistors), SIDACtors, SCRs, Triacs, Quadacs, Sidacs, Diode Arrays, Diodes, GDTs (gas discharge tubes), polymer ESDs, medium voltage fuses, power distribution blocks, power entry modules

Gaskets

Grommets

Hinges

HVAC

Labeling: nameplates, tags

Linear Guides

Pneumatic Technology: actuators, valves, vacuum

Power cords

Magnets

Measurement

O-rings

Opto-Electronics

Packaging, Shipping, & Storage: bubble wrap, boxes, foam, zip lock bags, clear bags, bubble mailers, stretch wrap, plastic bins

Passives: caps, inductors, choke, coils, resistors

Pivots

Power Supplies

Process Controls: Valves, gauges, switches, regulators, heaters

Retaining Rings

Safety Supplies: gloves, footies, smocks

Springs: Compression, Wave, Extension, Torsion

Terminals: lugs, rings, forks, ferrules

Tools: crimps, office, electrical

Tubing: heat-shrink

Vacuum Components: valves, feed-throughs, flanges, fittings, quick dis-connect fittings, measurements, controllers

Wires
